Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 05 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain approaching this evening, moving eastwards overnight. Feeling mild.

This Evening and Tonight:
This evening will see rain approach from the southwest, with cloud thickening. Rain falling heaviest along southern and western coasts. Overnight, this continues eastwards, leaving the country largely dry by dawn. Another mild night. Minimum temperature 7 deg C (45 deg F).

Sunday:
A dry, cloudy start, with some scattered showers through the day, these sometimes heavy. Some sunny spells, though brighter in westernmost areas. Feeling warm, but slightly cooler along northern coasts. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
A mixture of sunshine and scattered showers on Monday, some heavy. Dry and fine with some sunny spells on Tuesday. Wet and windy on Wednesday. Feeling warm through this period.
